APPX Conference & Training Session

Cansys West International Ltd

January 24th to 28th, 2005

Where? **The Radisson Decapolis hotel in Panama City, Panama**

When? **January 24th to 28th, 2005**
Training runs from 9:00 to 5:00 daily. Coffee and Lunch provided.

Mon 24th - Tues 25th am — Web Development with APPX (1.5 days)
Learn how to make existing APPX reports display on an HTML page and how to design new applications for interactive web access. Some knowledge of HTML is assumed and the class focuses on integrating applications with HTML. Students will also learn about APPX/NET and using the Java-based APPX Client from a browser. The students get a copy of the WEB application used during the course as well as the CGI scripts used to integrate APPX to the Unix based web server. These materials can then be used as a starting point for their own web development projects.

Tues 25th pm - Wed 26th — APPX GUI Design Techniques (1.5 days)
This class will cover design techniques using the new GUI options, including features for adding images, icons, the drag and drop data palette, buttons, boxes, designing GUI out-puts, printing with PDF and more. Students will work with a character mode Order Entry system, and convert it to a GUI based application.

Thurs 27th am — Database Integration (0.5 day)
This course will show how to connect APPX to an external RDBMS, such as Oracle or Postgres. Students will also learn how to optimize their application by using cached files, partial record I/O and commit control.

Thurs 27th pm — Tips and Techniques (0.5 day)
This afternoon session will be a mix of common topics such as: using the 0UT Utility to import data from Oracle, Sybase or Text Files; Desktop Integration with Word or Excel. Students may also submit questions in advance and we'll be happy to add them to the agenda.

Thurs 27th 19:00 - 22:00 — Conference Welcome Reception
This is an opportunity to meet other APPX customers and Resellers in a relaxed setting. Drinks and snacks will be provided.

Fri 28th am — Customer and Reseller Conference
Come to the conference & learn about the latest developments at APPX:

- New Maintenance Plans (Bronze, Silver, Gold)
- Features & Benefits of Release 4.2
- Planned Features in 4.3 (Guest Speaker from Appx Software, Inc.)
- Question & Answer Period

Fri 28th pm — Reseller Conference
This session is for CWI Resellers only.

See Registration Form for costs and Hotel Information.

We look forward to seeing you there!
